Import contacts from Gmail

1. Sign in to Gmail.
2. Go to Google Contacts.
3. Select More > Export.
4. Choose which contact folder to import and choose Outlook CSV format.
5. Select Export.
6. Select Save to Disk > OK.
7. Select a location to save your file and select OK.
8. Check to make sure the CSV file you just downloaded isn't empty by opening the file.
9. On this page, browse to the location of the file you just downloaded and select it.
10. Select Upload.

Thank You
